# Steps to Create a Fundraising Team

*If you created a team in 2016, please note that this year we are using a different company (Race Entry) for both registration and fundraising, so the instructions have changed.*

- If you are creating a fundraising team, it is easiest to do so **FIRST**, before registering as a race participant.
- Visit the **NAMI-WCI** website ([www.nami-wci.org/fall-classic](http://www.nami-wci.org/fall-classic)) -OR- go directly to event registration and fundraising at <https://www.raceentry.com/race-reviews/nami-fall-classic-5k-walkrun-for-mental-illness-advocacy>.
- Select the green **Fundraise** button.
- Select the blue **Log In** button.
- Select **Create a New Account**. Complete the Race Entry account form.
- After you have created your account, you will see a page that says "Runner Panel." It will allow you to find a race near you. Enter the zip code 47904 and then select NAMI Fall Classic.
- Select the **Fundraise** box. Then select **Create Fundraiser Team**.
- Fill in the form to create your team. The form will ask for your team name, team and personal goals, your name and your email address. You also can share why you are supporting NAMI and include profile and team images.
- After completing the form, the next page you see will be labeled "Fundraiser Team Manager Toolbar." Select the **Register** box (if you would like to register as a race participant). Otherwise, you can return and register later if you want, and/or you can **invite friends** to join your fundraising team by using the social media or email links provided on the screen. The social media links also are provided in your RaceEntry.com fundraiser team creation **confirmation email message**, which is helpful if you want to come back to this task later.
- As you share this event using the social media and email links provided, be sure to **add a personal message** (and for emails, **customize the subject line**). This will help recipients understand why you're sharing a link with them.
